WHAT IT COSTS!

THREE HUNDRED DOLLARS FOR BRYAN'S VISIT HERE.

The "Itinerary" of candidate Bryan's flying tour through Kentucky was printed in yesterday's LEDGER just as it had been arranged by Hon. Urey Woodson, the Popocratic Manager of the great moving show.

The statement that Mr. Bryan would speak thirty minutes in Maysville was made upon authority of Mr. Bryan's arranged program.

This morning, however, a representative of the local Popocratic party called upon THE LEDGER with the request that it state that Mr. Bryan would speak one hour and thirty minutes, as "they wanted a run for their money!"

It is understood that the local managers are to put up \$800 for Bryan's trip to this city.

LAST NIGHT'S RALLY!

A Rousing Reception to the Hon. William G. Dearing.

The only reason that there were not more people to hear Hon. W. G. Dearing last night lay in the fact that the Court-house wouldn't hold them.

It was a rousing crowd and the gentleman made a rousing speech.

Mr. Dearing in 1892 was the Democratic Elector for this District, and all his political life up to this year has been spent in the Democratic party.

He was introduced by the Hon. A. M. J. Cochran in a very neat speech, and at once entered upon the discussion of the financial question.

He had been a Democrat when he thought the Democratic party was right; but when that party broke away from the time-honored teachings of the fathers and advocated personal dishonesty and the debasement of the Nation's credit, he for one refused to follow it.

Wherever his lot had been cast, he was always proud to proclaim that he was an American citizen; and he did not now propose to aid a cause that he was sure meant disaster to every American interest—financial, agricultural, commercial and mechanical.

The speaker briefly reviewed the financial legislation of the country from the organization of the Government to the present day, and contended that the introduction of machinery and electricity were more responsible for the present "hard times" among the agricultural

classes than was any adverse measures upon the coinage of silver.

Mr. Dearing spoke for more than an hour, and his remarks drew forth frequent and hearty applause.

His announcement that he had parted with Democracy; that he would not sacrifice his manhood for the sake of any office, and that in the coming election he would vote for McKinley and Pugh, was received with vociferous cheers.

At the conclusion he was warmly congratulated, as he deserved to be, for his speech was a most excellent one.

The meeting closed with a few remarks from Editor Davis and Judge Hutchins.

Hon. John P. McCartney of Flemingsburg will speak at the Courthouse Saturday night, when the Maysville Band will be present in the new uniforms.

ALMOST A LIFE.

An Officer's Revolver Falls, Goes Off and Slightly Wounds Him.

Officer Rosser came very near losing his life, together with that of his wife's, yesterday.

He had gone home to attend to some duties and had removed his coat, depositing it upon the bed that was in the room.

His revolver, in some manner, slipped out of one of his pockets, fell to the floor and went off, the ball striking him in the leg, making a slight flesh wound, and passing on to the ceiling, where it lodged.

His wife was standing close by, and the bullet just missed her.

It was a close call for both, and the genial officer will be laid up for several days.

It is called Chamberlain's Pain Balm. It always does the work." 50 cent bottles for sale by J. James Wood, Druggist.

Y. M. C. A. NOTES.

Something of Interest to the Young Men of Maysville.

The Directors of the Young Men's Christian Association will hold their regular monthly meeting tomorrow (Wednesday) afternoon at 4 o'clock in the Association Hall. The committee appointed to secure permanent quarters will make their report to the Board, and other important business is to be transacted. A full attendance is earnestly requested.

Several visitors from adjacent towns and villages have been in the Association Hall since it was first opened to the public a few days ago.

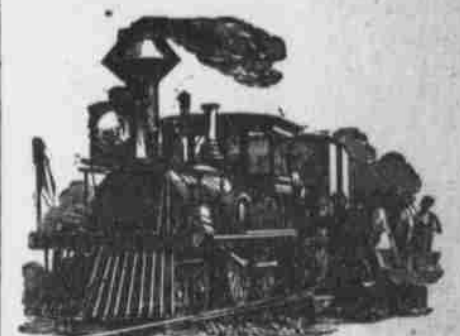

Two new crokinole boards, which have been delayed several days, arrived on Monday and were put into use immediately by the young men. The boards are very nicely made, and crokinole is one of the very best and most interesting social games in use. If any young man doubts this statement let him visit the Association Hall and test the game for himself.

More than seventy men and boys attended the opening rally in Association Hall on Sunday afternoon, and while it was very gratifying to the officers of the Association to see so great an interest manifested, yet it is hoped that a much larger number of our citizens will plan to attend this popular rally in the future. No pains will be spared by the Managers to make this Sunday gathering of special interest to all who come.

Coal. Just received, a fresh-mined barge of the celebrated Raymond Coal, the best Semi-cannel Coal ever sold in this market. Its merit is attested by the fact that others have tried to handle it but could not buy it, and another coal is sold by a similar name, but it cannot be counterfeited and is sold only by J. H. DODSON.
